#FINISH522 Community Meeting

Thank you to all who came out Wednesday, January 9, 2019, for the #FINISH522 Community Meeting. We had approximately sixty people in attendance to hear the update from WSDOT and learn about next steps. I encourage you to continue to reach out to your legislators. We cannot do this alone and need your help! Please sign the petition, place a window cling on your vehicle, and share the video on the website. If you are able to, please attend the Lobbying Day in Olympia, on Wednesday, February 6, 2019.

For window clings, or to sign up for the Lobbying Day, please contact Pam Baker (360-863-4524; <mailto:pamb@monroewa.gov>). Talk to your neighbors, friends, and co-workers about the importance of finishing SR522; and have them join in the effort. Together we can make a difference in Olympia. Together we can make our voice heard. For more information please go to the finish522.com webpage; and like the #Finish522 Facebook page.

The audit report highlighted the work by City staff to ensure compliance with all state financial reporting requirements and
