REQUESTED ACTION: Discussion; and provide direction to the Mayor and City Staff regarding next steps, if any.

POLICY CONSIDERATIONS

Speed limits on City Streets are set by Ordinance; or the RCW default of 25 miles per hour.

DESCRIPTION/BACKGROUND

Councilmember Scarboro has requested that the City Council review the recent change in speed limit to twenty miles per hours between 7 a.m. and 4:30 p.m. on West Main Street between 177th Avenue and Madison Street; and consider amending the code to have the lower speed limit effective only Monday through Friday.

This was discussed by the City Council on January 9, 2019. Additional information regarding the thoughts of the adjacent schools was requested. The results of inquiries of the adjacent schools are as follows:

SCHOOL	COMMUNICATION	WHOM	POSITION	OPINION
Monroe Christian	In Person	Elaine Obbink	Administrator	Is fine the way it is; would also be fine with M-F only
Monroe Montessori	Phone	Thea Heineman	Director	Is fine the way it is; would also be fine with M-F only
Monroe School District	Phone	Joe Banach	Transportation Manager	Approve of the 20 mph speed zone, but also feel that it should only be during school (not weekends and not during summer break)

A review of the Monroe School District's online facility calendar show 805 events currently scheduled between 06/01/2018 and 12/31/2019 occurring outside of Monday through Friday, 7 a.m. to 4:30 p.m. during the school year (Attachment 1). Forty-six of these events occur on weekends.

FISCAL IMPACTS

Costs associated with changing signage if any changes are desired.

TIME CONSTRAINTS

None.
