Dear Ms. Marrero:

Thank you for sending the Washington State Department of Commerce (Commerce) the following materials as required under RCW 36.70A.106. Please keep this letter as documentation that you have met this procedural requirement.

City of Monroe - Proposed amendment to conduct a periodic review of the Shoreline Master Program. The SMA requires all SMP's to be reviewed and revised, if needed, on an eight (8) year schedule established by the Legislature. The State is not requiring any major updates to the city's inventory, restoration efforts, or cumulative impacts analysis; however the update must include all state mandated updates between 2007 and 2017 as well as local changes in circumstances which for Monroe includes updating maps, updating Comprehensive Plan references to the current Comprehensive Plan, zoning changes, and incorporating the critical areas ordinance update. These materials were received on February 28, 2019 and processed with the Material ID # 25837.

We have forwarded a copy of this notice to other state agencies.

If this submitted material is an adopted amendment, then please keep this letter as documentation that you have met the procedural requirement under RCW 36.70A.106.

If you have submitted this material as a draft amendment, then final adoption may occur no earlier than sixty days following the date of receipt by Commerce. Please remember to submit the final adopted amendment to Commerce within ten days of adoption.
