DESCRIPTION/BACKGROUND

The City of Monroe adopted the current Downtown Master Plan July 30, 2008. Updates to the existing Downtown Master Plan are necessary to align with the goals and policies of the Comprehensive Plan and recent updates to the Unified Development Regulations. Additionally, Staff is looking for direction from Planning Commission to determine the scope of this project.

The Planning Commission will act as the principle reviewing body for the Downtown Master Plan update with final adoption by the City Council. Attached for your review is the 2008 Downtown Master Plan (Attachment 1).

RECOMMENDED ACTION(S):

No action required. Staff is providing an introduction of the overview of the Downtown Master Plan update process and tentative schedule.
