I can be reached at gthomas@monroewa.gov

Thank you!

Yours in Service,

Mayor Geoffrey Thomas

MAYOR HAPPENINGS

North Kelsey/Tarragon Proposal

The public is invited to comment on the conceptual site design for the North Kelsey area at the City's Planning Commission meeting on **Monday, June 10, 2019, 7 p.m.;** **Monroe City Hall, Council Chambers.**

On March, 20, 2019, the City entered into a Memorandum of Understanding with Tarragon L.L.C., an interested developer, is proposing to build a horizontal mixed-use project which combines 3-story, multi-family residential, 15,000 square feet detached retail building. The residential development is 15 buildings and 180 dwelling units over 11 acres. The development includes a park and bocce ball courts. Tarragon submitted a conceptual site design for City Council feedback prior to the Memorandum of Understanding expiring on June 24, 2019.

The North Kelsey area was purchased by the City in 2005 from Snohomish County. The intent of the North Kelsey area was to develop retail, office space, and a village green for community gatherings. Current retailers in the area include, Fred Meyer, Wal-Mart, Lowe's, Safeway, Rite Aid, and Galaxy 12 Movie Theater.

The City currently has one more bond payment of approximately \$2.8 million dollars which is due in 2020. For more information about the North Kelsey area please visit: www.monroewa.gov/northkelseydevelopment.

#Finish522

The effort to fund the Paradise Lake Road interchange and roadway widening between Maltby and Monroe took a giant step forward in the 2019-2021 State Transportation Budget thanks to our State elected officials, Senators Wagoner and Palumbo, and Representatives Eslick, Sutherland, and Kloba.

'19 to 05/31/19: 1,087

(#Finish522 continued) The 2019-2021 budget includes \$12.8 million toward designing the Paradise Lake Interchange and \$10 million originally allocated in 2025-2027 has been moved into the 2021-2023 biennium. The Washington State Department of Transportation (WSDOT) is scheduled to install the metering ramps at the Echo Lake Road interchange this summer.

The total project cost to complete the Paradise Lake interchange and roadway widening is estimated at \$180 million - \$90 million for the interchange and \$90 million for the roadway widening (in 2019 dollars). The \$12.8 million in funding for the current design phase was provided through the Model Toxics Control Act (MTCA). We will need

to continue to work together with our state elected officials and community partners to ensure that further design and construction funding is included in the next transportation package in 2021. Altogether our efforts paid off. If you want to learn more about the push to fund the project or join the coalition of community members, **the next #Finish522 Community Meeting is scheduled for Wednesday, June 12 at 6:30 p.m. at Monroe City Hall, Council Chambers, located at 806 W. Main Street in Monroe.** For more information visit the official #Finish522 website at www.finish522.com.

CITY HAPPENINGS

Music in the Park!

Save the Date! Music in the Park is a free summer concert series playing every Friday in July at Lake Tye Park! Concessions, food trucks, and beer garden open at 6:30pm. Concerts start at 7pm. 2019 lineup includes:
