REQUESTED ACTION: Move to accept the grant funding from the Department of Commerce in the amount of \$50,000; authorize the Mayor to sign the Agreement; and expressly authorize further minor revisions to the extent deemed necessary or appropriate.

POLICY CONSIDERATIONS

Under RCW 35A.33, Council as the legislative body for the City approves revenues for the fiscal budget. The policy question for the City Council is whether to sign an Agreement with the Department of Commerce for financial support in the form of a grant.

DESCRIPTION/BACKGROUND

In October 2019, the City of Monroe applied for a Department of Commerce grant funded through E2SHB 1923, which provided \$5 million to increase residential building capacity in Washington communities. Of the list of eligible activities, as defined in the bill, the City chose to adopt a housing action plan with a total funding request of \$50,000.

The goal of a housing plan is to encourage construction of additional affordable and market rate housing in a greater variety of housing types and at prices that are accessible to a greater variety of incomes, including strategies aimed at the for-profit single-family market.

The City of Monroe has planned for growth in the Comprehensive Plan. Growth targets require a population capacity of 24,754 in 2035. With the new density limits under the newly adopted Unified Development Regulations (UDR), Monroe now has a population capacity of 25,306 in 2035.

Although the City has the capacity to accommodate growth, the challenge is creating opportunities for non-profit and for-profit developers to build a variety of housing developments for all income levels. Pursuing a Housing Action Plan will provide the City with a clear vision and strategies to increase residential building capacity and/or streamline regulations.

As part of the Housing Action Plan, the city will focus on the following strategies:

- Helping people stay in affordable housing
- Creating a variety of housing choices
- Creating more affordable housing
- Unlock housing supply by making it easier to build
- Identify public lands for housing opportunities

Public involvement will be key in this process. The City wants to hear from all groups who have an interest in affordable housing and residents from all income levels. The Affordable Housing Committee will be able to provide input on proposed strategies as well as the Planning Commission.

The Housing Action Plan will provide guidance to the City when planning for the future and will be instrumental when drafting the Comprehensive Plan 2023 Update.

The City hopes that the Housing Action Plan will stimulate development of new housing, preserve existing affordable housing, and improve the overall quality of life in the City. Addressing the affordable housing crisis is a top priority for the City and the goal is to create an inclusionary community through quality development and collaboration.

FISCAL IMPACTS

There is no match requirement in order to receive this grant award. The grant is reimbursement based. Qualified expenditures made by the City are not to exceed the grant award amount of \$50,000.

TIME CONSTRAINTS

Deadline to complete the work is June 30, 2021.

ALTERNATIVES

Do not accept the grant.

The Honorable Geoffrey Thomas
Mayor of Monroe
806 W Main Street
Monroe, Washington 98272

RE: E2SHB 1923 Grant – Increasing Residential Building Capacity

Dear Mayor Thomas:

I am pleased to inform you that the city of Monroe has been awarded \$50,000.00 in grant funds for the 2019-21 Biennium to assist with increasing urban residential building capacity and streamlining regulations. The Washington State Legislature created this new grant program under Engrossed Second Substitute House Bill (E2SHB) 1923 (Chapter 348, Laws of 2019), which provides a number of eligible land use planning activities for cities to consider implementing to increase housing capacity.

Your jurisdiction recently submitted a grant application, identifying actions it intends to develop and adopt, as well as its grant funding need to assist with this work. Your scope of work and budget must be consistent with the scope of work and budget included in your grant application.

This grant will be administered by the Washington Department of Commerce, Growth Management Services unit. Before we disburse the funds, a contract with an agreed upon scope of work and budget will need to be executed between your organization and the Department of Commerce. Funds may be retroactively applied to project costs related to your grant scope of work, beginning July 28, 2019, the effective date of E2SHB 1923.

Matt Ojennus, Senior Planner is available to help you if you have any questions. Please call (360) 725-4047 or matthew.ojennus@commerce.wa.gov for assistance with this contract going forward.

Sincerely,

Dave Andersen, AICP

In the event COMMERCE determines the Contractor has failed to comply with the conditions of this contract in a timely manner, COMMERCE has the right to suspend or terminate this contract. Before suspending or terminating the contract, COMMERCE shall notify the Contractor in writing of the need to take corrective action. COMMERCE reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by COMMERCE to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this contract are not exclusive and are in addition to any other rights and remedies provided by law.

18. TERMINATION FOR CONVENIENCE

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.
