

2023 CITY OF MONROE HUMAN SERVICES REQUEST FOR PROPOSAL

Purpose:

The City of Monroe Human Services Awards are intended to support planning, funding, monitoring, and evaluating community human service needs. This is a reflection of the City's desire to assist people in our community who have special needs, lack adequate income, are physically or mentally vulnerable, or lack the skills and abilities necessary to maintain self-sufficiency.

Funding:

The City of Monroe has budgeted \$300,000 in General Fund revenues in 2023-2024 biannual budget to support human service programs serving Monroe residents. Awards for human services funding will be considered through this Request for Proposal (RFP) process.

City's Role:

The City's role in human services is to help facilitate and coordinate human service programs in Monroe, but not directly provide services.

Working in conjunction with human service agencies, the private sector, the state, and other pertinent groups, the City of Monroe can coordinate a more effective human services delivery system. The City of Monroe remains committed to human services with both financial support and collaborative efforts.

The City may use its funds to supplement funds from other public and private sector sources; however, if other funds are withdrawn, the City will not be committed to increased support of a program.

Request for Proposal Application Process:

Application forms, for human service organizations requesting an award from the City, will be made available on September 15, 2023 and must be returned to the City no later than 5:00pm on Monday, October 16, 2022. *(A copy of the Application is available for review in Attachment A)*

Applications can be mailed or hand-delivered to:

Jodi Wycoff, City Clerk
806 W. Main Street
Monroe, WA 98282

Emailed applications can be delivered to: jwycoff@monroewa.gov

As a matter of policy, the review committee will not accept late applications and/or direct appeals to the Review Committee.

The City of Monroe will not fund services that are legally the responsibility of another public agency or funding source. However, the City reserves the right to help support such services if it is deemed to be in the best interest of Monroe residents.

Specific awards to human service organizations are subject to the approval of the Monroe City Council. Human services contracts are intended to be implemented in December 2023.

Basic Eligibility Requirements:

The City of Monroe Human Service Request for Proposal establishes the following eligibility requirements for all agencies requesting human service funding:

1. Each agency must submit a completed application by 5:00pm on Monday, October 16, 2023. Applications received after the posted date and time will not be accepted.
2. Human service organizations must serve Monroe residents and have obtained and provide proof of nonprofit status before funds are awarded.
3. Applicants must have an adopted nondiscriminatory policy.
4. Applicants must have adopted and demonstrate sound and accepted management, business, and accounting practices.

Request for Proposal Application and Criteria Overview:

1. The intent is to make the application as short as possible while gathering enough information to help reviewers make informed recommendations for funding. The application is divided into five sections:
 - Checklist - to assist the applicant with submitting a complete application.
 - Certification - to determine the applicant meets the City's priorities.
 - Organization Information - minimum applicant information for contracting purposes.
 - Questions - to help review committee score applications using evaluation criteria.
 - Project budget - budget spreadsheet and narrative.
2. A human service organization applying for an award is required to complete a separate application form for each project it intends to provide.
4. Projects must address underserved human services needs in the following category:
 - **Providing housing with wraparound services (*Wraparound services are defined in Attachment C*)**
4. Applicants applying for an award must meet the City's Human Services Request for Proposals' basic eligibility requirements.

5. If the basic eligibility requirements are satisfied, applications will be reviewed, utilizing a subjective rating system, using the following factors:

- Priority will be given to applicants which submit collaborative proposals, by providing letters documenting established partnerships, with other human service providers.
- Priority will be given to applicants which can additionally serve marginalized communities in a culturally relevant and inclusive way.
- Priority will be given to applicants who can demonstrate their commitment to delivering Trauma Informed Care (TIC) while working with vulnerable populations.
- Priority will be given to applicants which have an established process for generating alternative sources of funding or services.
- Priority will be given to applicants that can implement their project within six months of the signed contract.

6. The application includes specific questions relating to such things as:

- The precise nature of services provided by the proposed program.
- The specific client populations (e.g., number of City of Monroe residents) to be served.
- Alternative and collaborative sources of funding should City funds be awarded at a reduced level.

7. Applications will be reviewed by the Human Services Request for Proposal Review Committee (Review Committee). The Review Committee will be made up in part by Monroe community members and subject matter experts with a technical understanding of human services. The Review Committee will evaluate the information collected and then make funding recommendations to the Community Human Services Advisory Board and the City Council.

8. Applicants may be invited to an interview session only if it is necessary to clarify proposals.

9. Applicants should specify if the project will only be successful with full funding or if the project is scalable and could be implemented with a partially funded award.

10. Incomplete applications may not be considered.

What are wraparound services?

Wraparound services is the term given to the practice of providing, or making available, all the various services that a person might need. In the case of homelessness, wraparound services are provided to stabilize and house a homeless person. **Often, the terms “wraparound services” and “continuum of care” are used interchangeably.** Continuum of Care is the name given to the official US government program whereby communities can get funding for the wrap around services they provide.

Wraparound supportive services are designed to provide comprehensive, personalized supports and resources so that individuals and families are able to address the complex issues and challenges that often accompany homelessness and can interfere with obtaining long-term housing stability.

Wraparound services are delivered in a structured team-based framework. Case managers and social workers implementing a wrap-around program create customized, intensive, and individualized care plans that are delivered in a structured team-based framework. The wraparound service model embraces each client’s unique strengths, needs, and natural support systems.

These services are designed to help the individual or family stay housed and live a more productive life in the community.

A difference could be made by saying that Continuum of Care consists of housing and wraparound services, and that wraparound Services could be the designation for everything done for the homeless person outside of housing.

Services provided through wraparound programs could include:

- Case management (service coordination)
- Counseling (individual, family, group, youth, and vocational)
- Employment/education/special education services, tutoring
- Connection with self-help, peer support or support groups
- Psychiatric consultation, community-based in-patient psychiatric care
- Health/medical services
- Legal services, protection and advocacy
- Connection to detox, residential treatment, or Medically Assisted Treatment
- Small therapeutic group care, therapeutic foster care
- Assistance with applying for public benefits such as Social Security, Medicaid, SNAP, etc.
- Life skills: Cooking, cleaning, hygiene, transportation, etc., as well as social skills such as communication, conflict resolution, self-esteem, etc.

Wraparound services are designed to be flexible, voluntary, and tailored to the individual or family’s needs and preferences. They are often delivered by a multidisciplinary team of professionals and paraprofessionals who work collaboratively with the client to develop a personalized service plan.

The goal of wraparound services is to help people overcome the barriers and challenges that prevent them from achieving their full potential and living independently in the community.

4. Changes in Work. The CONSULTANT shall promptly make such changes and revisions in the complete work provided by this agreement as may be necessary to correct errors made by the CONSULTANT and appearing therein when required to do so by the CITY. The CONSULTANT shall make such corrective changes and revisions without additional compensation from the CITY. Attachment D

D. Notwithstanding any other provision in this section, the maximum amount payable for this agreement shall not be increased or considered to be increased except by specific written amendment of this agreement.

The CONSULTANT shall keep all records related to this agreement for a period of three years following completion of the work for which the CONSULTANT is retained. The CONSULTANT shall permit any authorized representative of the CITY, and any person authorized by the CITY for audit purposes, to inspect such records at all reasonable times during regular business hours of the CONSULTANT. Upon request, the CONSULTANT will provide the CITY with reproducible copies of any such records. The copies will be provided without cost if required to substantiate any billing of the CONSULTANT, but the CONSULTANT may charge the CITY for copies requested for any other purpose. The CONSULTANT shall also provide a complete electronic copy of all reports, plans, and specifications upon completion of the work or upon request of the CITY.

Separate from and additional to the foregoing, the CONSULTANT shall fully cooperate with and assist the CITY with respect to any request for public records received by the CITY and related to any public records generated, produced, created and/or possessed by the CONSULTANT and related to the services performed under this agreement. Upon written demand by the CITY, the CONSULTANT shall furnish the CITY with full and complete copies of any such records within five business days.

The CONSULTANT's failure to timely provide such records upon demand shall be deemed a material breach of this agreement. To the extent that the CITY incurs any monetary penalties, attorneys' fees, and/or any other expenses as a result of such breach, the CONSULTANT shall fully indemnify and hold harmless the CITY as set forth in Section 8.

For purposes of this section, the term "public records" shall have the same meaning as defined by Chapter 42.17 RCW and Chapter 42.56 RCW, as said chapters have been construed by Washington courts.

The provisions of this section shall survive the expiration or termination of this agreement.

All notices required to be given by either party to the other under this agreement shall be in writing and shall be given in person or by mail to the addresses set forth in the box for the same appearing at the outset of this agreement. The Project Administrator shall be responsible for coordinating the work of the CONSULTANT, for providing any necessary information for and direction of the CONSULTANT's work in order to ensure that it generally meets the requirements of this agreement, and for reviewing, monitoring and approving the general quality and quantity of such work. The CONSULTANT shall report to and take any necessary direction from the Project Administrator. Provided, that nothing in this section shall be construed as altering the CONSULTANT'S duty of care or otherwise limiting, abridging, waiving or reducing the CONSULTANT'S obligations under this agreement.

In case of conflict between the Exhibits to this agreement and the portions of this agreement preceding the signature lines (Sections 1-23), the terms of Sections 1-23 shall prevail. Any limitations on liability and indemnification expressed in the attached exhibits beyond those specified in Sections 8 and 9 (prior to signature line) shall be null and void.

14. Termination. The CITY reserves the right to terminate this agreement at any time upon ten (10) days written notice to the CONSULTANT. Any such notice shall be given to the address specified in Box 3 on page 1. In the event that this agreement is terminated by the CITY other than for fault on the part of the CONSULTANT, a final payment shall be made to the CONSULTANT for all services satisfactorily performed. No payment shall be made for any work completed after ten (10) days following receipt by the CONSULTANT of the notice to terminate. In the event that services of the CONSULTANT are terminated by the CITY for fault on part of the CONSULTANT, the amount to be paid shall be determined by the CITY with consideration given to the actual cost incurred by the CONSULTANT in performing the work to the date of termination, the amount of work originally required which would satisfactorily complete it to date of termination, whether that work is in a form or type which is usable to the CITY at the time of termination, the cost of the CITY of employing another firm to complete the work required, and the time which may be required to do so.

15. Non-Discrimination. The CONSULTANT agrees not to discriminate against any customer, employee or applicant for employment, subcontractor, supplier or materialman, because of race, color, creed, religion, national origin, marital status, sex, sexual orientation, age or handicap, except for a bona fide occupational qualification. Any subconsultants approved by the CITY at the outset of this agreement are named on Exhibit D attached hereto and incorporated herein by this reference as if set forth in full.

17. Non-Waiver. Payment for any part of the work or services by the CITY shall not constitute a waiver by the CITY of any remedies of any type it may have against the CONSULTANT for any breach of the agreement by the CONSULTANT, or for failure of the CONSULTANT to perform work required of it under the agreement by the CITY. Waiver of any right or entitlement under this agreement by the CITY shall not constitute waiver of any other right or entitlement.

18. Resolution of Disputes; Governing Law and Venue. This agreement shall be governed by and construed in accordance with the laws of the State of Washington. If any dispute arises out of or in connection with this agreement, including any question regarding its existence, enforceability, interpretation, or validity, the parties will, if practicable, meet and confer in good faith for a period of fourteen (14) days to attempt to resolve such dispute without an adversary proceeding. If at the end of the fourteen (14) day period such attempt at resolution is unsuccessful, the parties may resort to litigation. The exclusive venue for any litigation arising out this agreement shall be the Snohomish County Superior Court. The substantially prevailing party in any such litigation shall be entitled to an award of its reasonable attorneys' fees.

19. Taxes. 20. Code of Ethics. The CONSULTANT and all subconsultants/subcontractors shall also comply with the Monroe Code of Ethics (Exhibit E), Chapter 2.52 MMC. Any violation of Chapter 2.52 MMC by the CONSULTANT or any of its subconsultants/subcontractors shall be considered a material breach of this Agreement.
