

NEW MULTI-MODAL TRAIL PROPOSAL IN MONROE

WE NEED YOUR HELP!

The City of Monroe is working with Snohomish County, Washington State Department of Transportation and students from Western Washington University to plan a temporary trail from 179th Ave SE to Chain Lake Road. This proposal is in its earliest stages and we need the community's input in order to assure that this trail will effectively serve the City of Monroe. Come to the meeting to hear more about the proposed trail, neighborhood access points and timeline.
