## WSDOT SEEKS INPUT ON SR522 WIDENING PROJECT

As part of its **SR522-Paradise Lake Road to Snohomish River Bridge-Interchange and Widening project**, the Washington State Department of Transportation (WSDOT) seeks community feedback on four Complete Streets design alternatives.

The alternatives propose new walking and biking infrastructure improvements to make the SR 524/Paradise Lake Road area at SR 522 interchange more accessible and safer. Please share your feedback by taking WSDOT's survey by clicking the button below. The survey closes Mon., Oct. 27.

## CITY PARTICIPATES IN EARTHQUAKE DRILL OCT. 16

On Oct. 16 at 10:16 a.m., the City of Monroe will join communities nationwide in the **Great Shakeout** earthquake drill. The exercise encourages participants to practice the safety technique to "Drop. Cover. Hold." when an earthquake occurs. Monroe families, schools, and businesses are encouraged to participate in the drill and to develop disaster/emergency plans. Our website has "How To" guides, checklists, and resources to help you create an emergency plan, build an emergency supplies kit, and stay informed during an

emergency or disaster. Download resources from our **disaster preparedness website.**
