ANTICIPATE TRAFFIC DELAYS AT 147TH STREET AND 179TH AVE, FEB. 9 THROUGH FEB. 20

Last summer the first phase of construction was performed at the intersection of 147th Street and 179th Avenue. The intersection was reconstructed to accommodate a new traffic signal. The second phase of construction will occur between Feb. 9 and Feb. 20 and include the installation of the signal poles and electrical boxes. During this second phase, there will be temporary traffic control measures and lane closures in effect. Thank

you for your patience as you plan for travel delays during this time.

PERMIT CENTER CLOSED FEB 10-12

The City of Monroe's Permit Center will be closed Feb. 10, 11, and 12 due to an all-staff training. Regular business hours will return Friday, February 13 and our staff will be ready to help you. Thank you all for your understanding.

THANK YOU MONROE VOLUNTEERS!

Thank you to everyone who joined the native planting event at Al Borlin Park near Woods Creek, hosted by Adopt A Stream Foundation. With the help of more than 40 volunteers, 280 native plants and trees were installed along the creek's western bank—supporting riparian habitat and strengthening our local ecosystem.

Another planting event to restore the eastern bank of Woods Creek is planned for Saturday, Feb. 14 as part of "Trees Be Our Valentine." More details coming soon!
