They are available in sizes infant through adult XXL and can be borrowed for the day or weekend at no charge. Jackets available at: > Station 31 (163 Village Court Monroe, WA) > Station 51 (304 Alder Street Sultan, WA) > Station 55 (512 Avenue A Index, WA)</p>	<p>Two of this year's Capital Improvement Program projects – Chain Lake Road Roundabout and North Blakeley/Hill Street Infiltration Project – are progressing nicely. The City appreciates the efforts both contractors are applying toward completing their work. Both projects are on track or ahead of the original construction schedule! The roundabout at Chain Lake Road is taking its final form and users can now get a feel of how the intersection will work once completed. We look forward to having this project finished by the end of August. The roadwork on North Blakeley and Hill Street is also anticipated to be complete in August. The contractor is pouring concrete at the time of this letter, and we anticipate asphalt paving to occur within the first couple weeks of August. We truly appreciate your continued patience while improvements are being made to the City of Monroe. If you have any questions about these projects please contact Jammi Guion, 360-863-4514; iguion@monroewa.gov</p>
