COMMUNITY HUMAN SERVICES ADVISORY BORAD

November 19, 2020

OLD BUSINESS

Ms. Knight reviewed the Purpose of the Community Human Services Advisory Board.

Ms. Adams led the ice breaker/getting to know each other conversation.

Ms. Restall gave an update on the feedback on the Temporary Encampment Code. There are still considerations of certain aspects of the code (Safe Parking/Setbacks) and an updated version will be made available at the next meeting. The Code is headed back to the Planning Commission with recommendations.

Member Harrigan requested a chart to compare the differences between the State law verses the City code.

Member Sial requested clarification on wording around minimum lengths of stay. Shana will verify.

Member Balk asked about the maximum stay. Shana will verify.

Please send Shana additional feedback: SRestall@monroewa.gov

NEW BUSINESS

Anita gave an update on the City's Housing Action Plan (HAP). The goal of the HAP is to encourage construction to satisfy the needs of a greater variety of incomes. The HAP Housing Assessment shows that numbers are low on housing options and that the City is also low on land inventory. Feedback on the HAP can be given directly on the documents or on the survey posted on the interactive website.: [City of Monroe](http://CityofMonroe.com) | [HOUSING ACTION PLAN \(HAP\) \(konveio.com\)](http://HOUSING ACTION PLAN (HAP) (konveio.com))

The topic of re-zoning issues was raised. There was much discussion on City Council Memorial Field Council decision.
