Good morning! Frank,

I am terribly sorry for that! I thought I have replied and done with the request! I am very sorry!

Yes, the mailbox location is approved .

Thank you!

Hello, Sunny Li. Happy Friday.

I spoke with Emanuel and it is my understanding that you two had a meeting earlier this week about the Riverside Station project. I also understand that you are prepared to issue us a written approval for our proposed mailbox location. I have attached the site plan once more for your convenience. Please let me know if you need anything else from me. Thank you for your attention to our project.
