COMMUNITY HUMAN SERVICES ADVISORY BOARD

In Monroe, everyone feels at home and everyone feels they belong.

JUNE 5, 2024

On June 5th, 2024, the CHSAB attended a Community Priorities workshop for the Monroe 2044 Comprehensive Plan. During this workshop, attendees were invited to participate in an interactive game involving Monroe's Future Land Use Map. Board members were given an opportunity to provide feedback and learn more about the 2044 Comprehensive Plan.

NEW CHSAB MEMBER

The Community Human Services Advisory Board (CHSAB) would like to welcome one new board member who was appointed this period, Erin Lopez.

Her personal and professional experiences bring valuable perspectives to the board, and Human Services staff look forward to having her join the board. All CHSAB board member positions are now filled.

JULY 3, 2024

On July 3rd, 2024, the CHSAB received a training presentation from Monroe's City Clerk, Jodi Wycoff, about the Public Records Act and Open Public Meetings Act. Board members must complete this online training as a part of their duties.

Human Services Coordinator Rachel Adams provided the Board with an in-depth overview of the history of the CHSAB as well as important developments in Human Services at the City of Monroe. Since the majority of Board members are new to their positions, this overview was a part of their onboarding process.

The next meeting is scheduled for August 7th, 2024.

HOUSING, PARTNERS, AND PREVENTION

POVERTY 101 OPEN FOR REGISTRATION

City Human Services staff are pleased to announce that the Everett Gospel Mission has partnered with the City of Monroe to offer a secular version of their Poverty 101 class that will be open to community members and City staff. In this class, participants will:

- Understand the history, barriers, and challenges involved in poverty
- Evaluate personal perceptions of people experiencing poverty
- Consider ways to connect with others to be a part of meaningful and effective change

The class is scheduled for September 7th, 2024, from 9 a.m. to 1:30 p.m. at the Monroe Community Senior Center. This is a free event and will have lunch provided. Registration will be required to attend.

To register, please follow the QR code on the flyer included on page 3.

TABLING AT THE MONROE FARMER'S MARKET

On June 12, 2024 the Human Services Coordinator & Intern attended the Monroe farmers market to provide information about human services programs, city information, and registration information for the Poverty 101 class. Joining city staff at the table were the Peer Support Outreach Specialist and Case Management Specialist to talk about their positions to interested residents. Human Services staff will be featured at the farmer's market again on Wednesday, August 14th.

SHB1406 RENTAL ASSISTANCE & MENTAL HEALTH CO- RESPONSE UPDATE

In June, both the SHB1406 Rental Assistance Program and the Mental Health Co-Response Program finished the first 12 months of funding. Attached to this report are one-page overviews of the impact that these programs have had on the community in the past year (see pages 4 & 5).

AWC FY23 FINAL REPORT

In July 2023, the City of Monroe was awarded \$116,000 in grant funds from the Association of Washington Cities (AWC) for their Alternative Response Teams Grant (ARTG). This is the second year that the City has been awarded these funds. The funds were intended to support staffing at the City and partner agencies that offer services and resources to individuals in crisis. This grant supported the Peer Support Outreach and Case Management Specialists positions, as well as emergency housing through the Volunteers of America.

The end date for this round of funding was June 30th, 2024, and a final program report was submitted to the AWC. This final report provided detailed demographic data of program participants, including age, gender, veteran status, reason for contact, and outcomes of client contacts. On pages 7-10, Human Services staff have included this final report, highlighting both quantitative and qualitative data from the programs.

EMERGENCY MANAGEMENT TRAINING

In June and July, Human Services Coordinator Rachel Adams attended important trainings related to disaster preparedness, management, and summer hazards. On June 13th, Ms. Adams and Monroe Police Chief Jolley participated in a workshop for Senior officials related to all-hazard disaster preparedness that highlighted strategies and best practices for enhanced coordination of community partners. On June 20th, Ms. Adams attended the Snohomish County Department of Emergency Management's Summer Hazards Summit that shares information about upcoming summer weather outlook and preparing for the associated hazards.

On July 17th and 18th, Ms. Adams also attended an interactive Disaster Management for Public Services class that provides real world training to public service professionals. The class helps provide participants with both the knowledge and skills necessary to protect communities and infrastructure from potential or actual threats.

AWC FINAL REPORT

Peer Support Outreach Specialist Data

Number of individuals served: **96 unduplicated individuals** were served from January to June 2024. The number of total clients (including repeat clients) during this period was **225**.

Gender (Male, Female, Nonbinary, etc.) of individuals served:

66% Male, 34% Female. No clients identified as nonbinary or other gender.

Age of individuals served:

- 0% under 18
- 4% age 18-24
- 23% age 25-34
- 44% age 35-49
- 26% age 50-64
- 3% age 65 and older

Veteran status: **1% of clients were veterans**

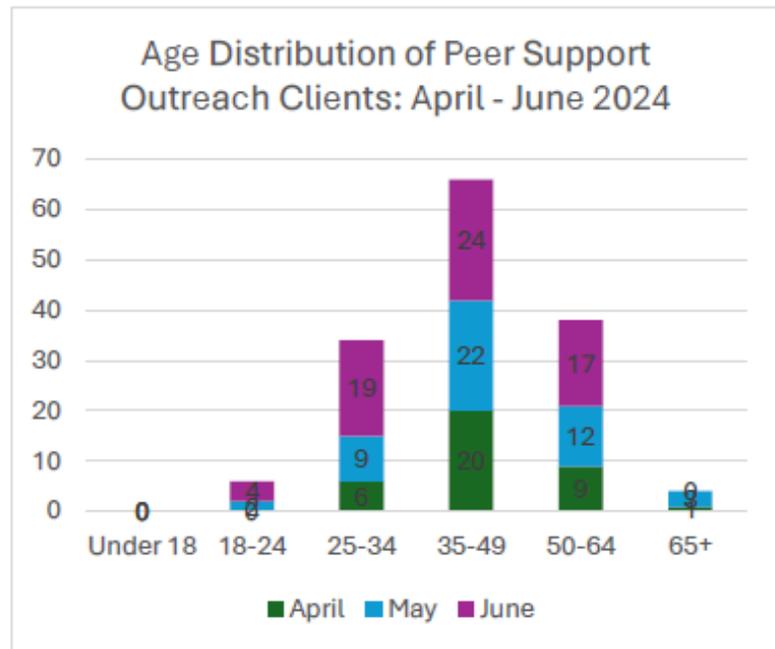

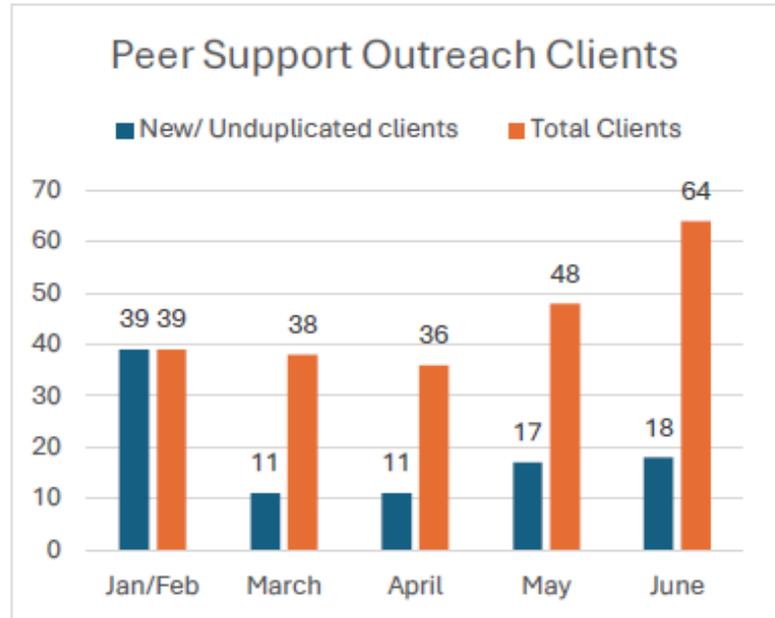

Substance abuse or mental health:

- **15% of clients referred to detox and recovery services**
- **9% of clients referred to mental health treatment services**

Reason for contact: Housing needs, detox, assistance with essential needs, information about mental health services, etc.

Outcome of contact (No outcome, referral to services, involuntary transport, etc.): Most clients were able to get connected with supportive services and other agencies.

Long-term outcome of individual receiving services (No outcome, permanent housing, shelter, etc.): 4 clients successfully obtained permanent housing, and 16 clients were directly placed in temporary housing including motels because of this program. Other clients were connected to 211 and given referrals to agencies that assist with housing. Referrals to other agencies did not always result in consistent follow-up data as to who had been successfully sheltered or housed.

Case Management Specialist Data

Number of individuals served: **114 unduplicated individuals** were served from January to June of 2024. The number of total clients, including repeat clients, is **191**.

Gender (Male, Female, Nonbinary, etc.) of individuals served

53% Male, 47% Female. No clients identified as nonbinary or other gender.

Age of individuals served

- **0% under 18**
- **5% age 18-24**
- **42% age 25-34**
- **33% age 35-49**
- **17% age 50-64**
- **3% age 65 and older**

Veteran status: **4% of clients were veterans**

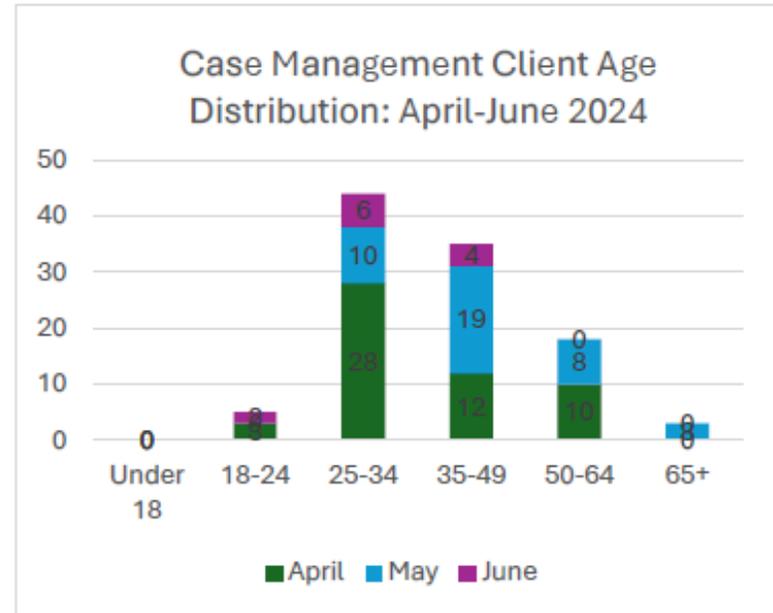

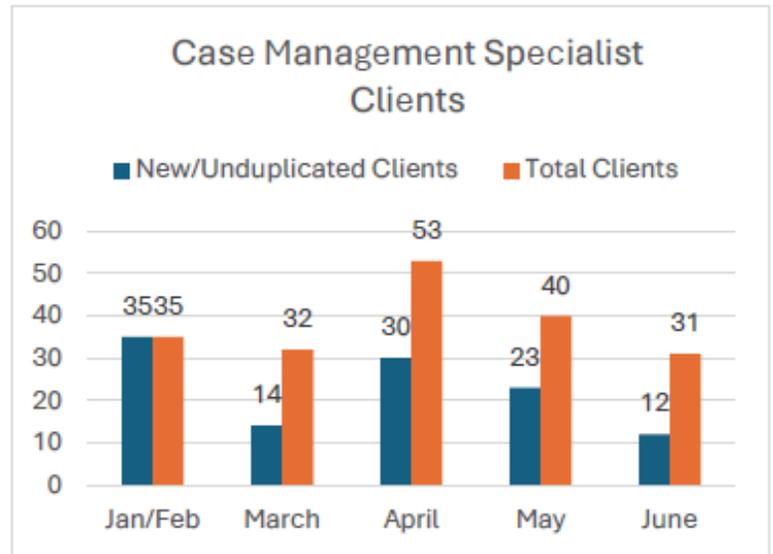

Substance abuse or mental health: **Roughly 12% referred for substance use treatment/detox, and 11% were referred to mental health treatment services.**

Reason for contact: The Case Management

Specialist works with the municipal court and therapeutic court to provide case management services to court clients. Additionally, referrals are made from Take the Next Step, the school district's McKinney-Vento liaison, and other local service agencies. The Case Management Specialist is also part of the management team for the St. Vincent de Paul Resource center and is contacted through appointments and walk-ins there.

Outcome of contact (No outcome, referral to services, involuntary transport, etc.): Most clients connected with supportive services and other agencies with the support of the Case Management Specialist.

Long-term outcome of individual receiving services (permanent housing, shelter, etc.): 11 clients were placed into temporary housing. The Case Management Specialist also is part of the management team for a program providing housing & wraparound services. Three families are currently being housed by this program. Many clients were connected to 211 and given referrals to agencies that assist with housing.

Emergency Hotel Voucher program data:

Number of individuals served: 51, as of July 2024

Gender of individuals served: In June, Volunteers of America Western Washington (VOA) reported that their clientele was roughly 75% female, 20% male, and 5% non-binary.

Ages: Several clients are families that include children. The adult clients served are typically between 25-65 years old. One client was an 18-year-old with a 6-month-old baby.

Veteran Status: As of June 2024, two clients were veterans.

Substance abuse or mental health:

Some clients experienced struggles with substance abuse and mental health. The VOA reported that most had an action plan and are trying to reach the goals they set for themselves. Clients were required to check-in with their navigator and housing specialist at least twice a week, and the housing specialist would conduct in-person check-ins at the motels.

Reason for contact: Housing needs

Outcome of contact: Placement into temporary and permanent housing, as well as referrals to other service providers as needed.

Long-term outcome of individual receiving services (permanent housing, shelter, etc.):

90% of clients were placed in motels/hotels. 3 families went on to be placed into permanent housing.

Other reports from the VOA:

- **Clients fleeing domestic violence: 6**
- **Clients with severe health issues: 3**
- **Clients who increased their income: 2**
- **Client who started SUD treatment: 2**
- **Clients who obtained housing: 6**
- **Clients who obtained full time and part time jobs: 8**

HIGHLIGHTING SUCCESS STORIES FROM THE PEER SUPPORT OUTREACH SPECIALIST

The following are a few success stories from the Peer Outreach Support Specialist, Roger Evans, that occurred in June and July:

The first story is of a male client, driven by a desire to turn his life around for his young son. He completed treatment for substance use but did not have a place to stay that was supportive of his newly sober lifestyle, leading him without a place to live. Roger initiated contact with this individual and provided crucial resources and connected him with a housing navigator. Through Roger's connections, the client was also introduced to a church community that facilitated crucial introductions for his client. Within just two weeks, he transitioned from living outside to securing both paid work and temporary housing through these connections made. He continues to stay in touch with Roger as he works on the next steps in his journey toward long-term stability.

Another male client, unhoused in Monroe for over six years, found renewed hope through Roger's ongoing support. Initially meeting at a cold weather shelter, Roger stayed in touch over the years and built a rapport with this client. When he was ready and reached out for help, Roger was able to get him immediate assistance, on a Saturday morning when many other service providers were not open to turn to. Roger was able to take him to a community breakfast and work with him on his next steps. As soon as Monday came around, the client had

an appointment with Ideal Option for treatment and Roger began supporting him in obtaining a driver's license and emergency housing through VOA motel voucher program. With Roger's help connecting to treatment, temporary housing, and DSHS, the client made significant strides toward stable housing and employment, demonstrating resilience and progress after years of hardship.

Lastly, a mother and her 13-year-old child were residing between a vehicle and motel rooms, and though she was employed, she struggled to maintain stable housing. Roger was able to use his flex funding to secure temporary housing while he worked to place them in the St. Vincent de Paul housing with wraparound services program. By ensuring access to wraparound services, Roger helped empower the family to stabilize their living situation and build a foundation for a brighter future.

These stories illustrate how the Peer Support Outreach Specialist's support and community connections have empowered individuals to overcome adversity, achieve stability, and build hopeful futures for themselves and their families. Through collaborative efforts with other community organizations such as Take the Next Step, Volunteers of America, Ideal Option, St. Vincent de Paul Resource Center, and more, these clients have not only secured housing but also gained the confidence and resources necessary to achieve their goals.
